BICENTENNIAL OF THE CONSTITUTION

Millbury resident, Harold Kilmer, stopped by our office recently to provide us with the following information on the celebration of the Bicentennial of the United States Constitution. We thank Mr. Kilmer for his efforts to update our communities on the national festivities planned for this historic occasion.

SEPTEMBER 16

On September 16, "A Celebration of Citizenship" will unite all citizens of the United States in a nationwide tribute to the Constitution. This will be a premier event of 1987 honoring our Constitution. National leaders will join America's youth in reciting the Pledge of Allegiance to our flag 1:00 p.m. (EDT), via a live broadcast from Washington, D.C. Chief Justice Warren E. Burger, Ret., Chairman of the Commission on the Bicentennial of the U.S. Constitution, will lead Americans in a reading of the Preamble to the Constitution.

The Commission is calling on all Americans, especially organizations, institutions, and industries, to join in a "ringing tribute to the Constitution" on Thursday, September 17 at 4:00 p.m. (EDT), the time of the actual signing of the Constitution 200 years ago.

To commemorate this historic moment, the Bicentennial Commission is asking everyone with bells, chimes, and carillons, to sound them for 200 seconds, beginning at 4:00 p.m. (EDT). During this "ringing tribute" all organizations are encouraged to join the celebration by releasing 200 red, white, and blue helium-filled balloons.

During the 200 seconds, Americans can reflect on the blessings of liberty, the ideals of justice, and equal opportunity made possible by the Constitution.

SEPTEMBER 17

President Ronald Reagan and Chief Justice Burger will lead the ceremonies in Philadelphia on September 17.

From 9:00 a.m. to noon, there will be a parade re-enacting the Grand Federal Procession of 1788 which celebrated the ratifying of the historic document. The parade will be broadcast on CBS-TV. At 11:45 a.m., President Reagan will deliver a national address from Independence Hall.

Throughout the day, public ceremonies and events, sponsored by We the People 200, will be taking place in Philadelphia, including a picnic at Penn's Landing. At 3:45, Chief Justice Burger will preside at ceremonies in Independence Hall leading up the 4 o'clock bell ringing.

Upcoming events include:

- A mini-series based on "Miracle at Philadelphia" on ABC-TV

- A special on the Constitution, produced for ABC-TV, scheduled to be aired September 16. The show will feature scholars and television personalities discussing the Constitution's history and principles.

- A one-hour special on ABC-TV, produced by Richard Dreyfuss, featuring well-knows entertainers, titled "Funny, You Don't Look 200", is scheduled to air in October.

- An animated Peanuts special on the Constitution, by Charles Schultz, is scheduled to air this fall. The show will be the first in a series which focuses on American History.

Local Youngster Benefits From Millbury Lion's Club

MILLBURY. The Millbury Lions Club sponsors several fund-raising activities during the year, the most noticeable of which is the Annual Fourth of July Celebration held at Windle Field. Last week, the fruits of all the Lions' hard work was made evident when Bert Cohan, a sales representative for VTek, installed a sophisticated computer system, paid for by the Lions Club, in the home of Millbury 4th grader, Emily Buresh, who suffers from a visual handicap.

The computers magnify print and contain software which duplicate a system installed in Emily's class at the Elmwood Street school. The home equipment will allow Emily to do her studying at home, giving her the same opportunities as her classmates. A large monitor allows Emily to increase the size of print as much as sixty times, or as much as is comfortable for her. Through a control pattern, Emily can move print around, write, correct, and compute with ease and flexibility. Another device will enlarge the print on any page and project it on the monitor screen so that Emily will be able to use conventional textbooks.

This system is the brainchild of a Rand Corporation engineer who was blinded at birth and who worked for twenty years perfecting his idea to apply TV techniques to help those with visual handicaps. Because of his perseverance and ingenuity, Emily will now be able to supplement her schooling in the comfort and convenience of her own home.

According to Fred Vulter, President of the Lions, and Dennis Leonard, secretary of the club, the Lions are pleased to be able to make contributions which afford children like Emily all of the opportunities to learn and grow.

Emily Buresh stands beside the computer equipment provided by the Millbury Lions Club.

Left to Right: Dennis Leonard, Lions Club secretary; Emily Buresh; Fred Vulter, president of the Lions club; Bert Cohan, VTek sales representative; and Susan Stager, teacher of the Visually Impaired.

We The People...

To the Editor:

On any given day, one can pick up his newspaper and will surely see one or more stories relating the concerns and opposition of people in a small town to a situation that is being forced upon them by the encroachment of, and power of, a city, or a more affluent, influential eastern Mass town, or by the state, with the power based in Boston.

While we are being informed, the process can be insidious, because we become accustomed to what is happening and might tend to dismiss it as a matter of course. But, I would submit that there is a clear and present danger.

To wit: Boston does not want to house their felons in Boston so the small town of New Braintree, whose population will be less than that of the criminals, is being forced to take it.

Worcester needs more water, but insists that Spencer be the site of a new reservoir, so a widow's farmland will be taken by eminent domain and she will have no say in the matter.

Lawrence has closed down their sewage treatment plant because their neighbors complained about the odors. As a result, up to forty-seven towns on the eastern shore will truck the contents of those people's septic tanks to Millbury. It is euphemistically called sludge, but we all know what it really is. And we won't take any more of this-sludge.

New England Power has Millbury targeted for a new feeder generator plant which will emit Sulphur Dioxide and Nitrous Oxide, two of the main contributors to the Acid Rain problem, although Ayer and Billerica were supposedly considered.

Millbury has one of only seventeen trash burning incinerators in the United States, slated to burn the garbage of most of the towns in Central Mass. Quincy refuses to have such a plant and the Merrimac Valley in New Hampshire is currently opposing one there. They cite that they don't want to destroy their bucolic surroundings.

Worcester was successful in dislodging Lewcott Chemical and sent it packing to Millbury, where the citizens, by their diligent efforts, have forced the company to install pollution control devices that will bring the company into compliance with Department of Environmental Quality Engineering standards for the first time in their twenty-four year history.

Webster citizens have united to oppose a trash burning plant at the site of the former Cranston Print Works. They have stated that said plant would emit residues of two-hundred-forty chemicals considered toxic and that refuse could be sent to - guess who - Millbury.

All is not gloom and doom, however. We have escaped the garbage barge, and never mind that the beautiful new Blackstone Valley Heritage Water Park will be surrounded by all of this. Bring your masks and Enjoy!!

Catherine Marchand

MILLBURY SELECTMEN'S MEETING DIGEST

Sewage Project Elicits Concerns

By Edward J. Cooney

SEPTEMBER 1, 1987

Chairman Jude Cristo called the meeting to order at 7:02 with four members present and Roland Lachance absent.

– Administrator, Earl Chase, reported that a break in a water main on Wheelock Avenue had caused concern for some residents who noted that the water had an "oily smell". Cristo, who stated that he had drawn water, agreed with the observation.

Chase stated that samples were taken and sent to the Department of Environmental Quality Engineering lab in Lawrence for analysis. "There doesn't appear to be any health problem," he said.

– Chase stated that he was informed by Tom Dunford, President of the Millbury Little League, that the league is planning to build a refreshment stand and press box at Washington Field. He added that the sewer line will be close to the proposed building.

– Chase informed the Board that the sewage installation project on Warren Street was experiencing problems with water seeping into trenches being dug by Gioso Construction, the contractor performing the work for the Sewage Commission.

Gioso has requested lowering Dorothy Pond by 2 1/2 feet in order to lower the water pressure which is causing a potential danger to workers in the 16 1/2 foot trench.

A discussion followed, with Cristo voicing concerns for McArthur Drive residents who have wells from which they draw their water supply. Cristo reported that the annual draw-down will take place next month and should ease the problem.

Selectman, John Donnelly, expressed concern about completing the project. "The sewage system is the big thing, if we are going to clean up the pond. The work may cause some problems now, but in the long run it will resolve the overall situation."

Selectman, Wynton Adams, suggested that some provisions be made for those people who may not be able to use their wells if affected by the draw-down now. "If not, we will have a bigger problem. We have to work with the contractor and the people with wells. People with wells who anticipate problems should contact the Selectmen. The Town may have to supply water to houses." Adams also suggested that an ad be placed in the newspaper to request that people contact the Board if they anticipate a water problem.

His motion was approved 4–0.

– Chase then reported that on a recent Sunday, Ronald Stokowski, serving as acting Chief, appointed Lincoln Barton as acting Chief while he (Stokowski) was out of town for the day.

Cristo stated, "In cases of this type we should be made aware. Why not contact me? We shouldn't be the last to know."

Adams stated that appointing an acting chief is the prerogative of the Board of Selectmen and that this was brought out during union negotiations. He suggested that the Board vote, after the fact, to pay Barton since he did perform the work.

– Chase also informed the Selectmen that the installation of gas and water lines to the Wilczynski building under construction on Elm Street had caused cracking in the road's surface. As a result of attempting to jack under the road, cracking occurred, making it necessary to cut the pavement to complete the project.

Donnelly suggested that, in the project for gas service replacement to Whitney, a "T" be installed for possible service to the lot next door in anticipation of future use.

– At 7:30 p.m., a Public Hearing was held on a request for a permit for installation of gas and diesel storage tanks at the Latti Industrial Park.

No abutters or opponents were present or spoke against the request. The Board voted 4–0 for approval.

– Chase notified the Selectmen that he has acquired a copy of a court docket concerning unregistered vehicles, and that Officer Kelly is preparing additional complaints.

– The Board was also informed that the Resource Recovery Plant conducted testing of lines, which caused loud banging noises; no complaints were received.

– At 7:45, the Selectmen met with Anthony Macaruso concerning the transfer of a Class II license. Macaruso requested a transfer to his new residence. He stated that wholesaling cars was his primary business and no cars were held on his property.

Adams stated that he could not vote approval for the transfer because the new zone was not compatible with a Class II license. The Board concurred and denied the license.

Millbury Woman's Club Resumes Meeting Schedule

MILLBURY. The first meeting of the Millbury Woman's Club, Inc. for the 1987-88 year will be held on September 14th. The meeting will begin with a luncheon at noon followed by a guest speaker at 1 p.m. The speaker will be MaryLou Houle who will conduct a program entitled, "Color Me Beautiful".

The general business meeting will follow the guest speaker, and all Scholarship Fund Raffle Tickets must be turned in at this time. The drawing for the "Old Fashioned Friendship Quilt" will be conducted during this meeting.

The Chairman of this meeting will be Rose DeToma, and her committee will include: Florence Greenwood, Frances Cofske, Kathryn Hart, Astrid Scott, Marjorie Boria, Linnea Stead, Eva Pixton, Madelane Verbasius, and Bertie Royal.

Pre-Business Workshop

WORCESTER. A Pre-Business Workshop will be held on September 15th, from 5:30 to 9:30 p.m. in the Foster Room at Worcester State College.

The Workshop is being run by the Worcester Chapter of SCORE, the Service Corps of Retired Executives, which is sponsored by the United States Small Business Administration.

This Workshop is designed to provide basic information for persons interested in starting their own business. Topics will be presented in a basic understandable manner that will provide a step-by-step approach to starting and operating a small business.

Speakers at the Workshop will include Arthur Spugnardi, former Vice President of Gilchrists; Marie Record, Chief of the Small Business Administration's Finance Division in Boston; Robert Oliver, Business Development Specialist with the Small Business Administration in Boston; Mark Love, CPA, and Paul Rogers, CPA; and Attorney Andrew O'Donnell.

Among the topics to be covered will be sources of information, preparation of a business plan, loan applications, record keeping, financial statements, forms of business organization, and federal and state laws applicable to small businesses.

There is a $10.00 registration fee which includes all materials. For more information, please contact the Worcester SCORE Chapter, c/o Worcester Area Chamber of Commerce, 33 Waldo Street, Worcester, MA 01608, or phone 753-2929.

Sutton Senior News

ACTIVITIES FOR THE WEEK OF SEPTEMBER 14

MONDAY: Exercise class from 11-12; Crafts from 1-3.
TUESDAY: Lunch at noon, followed by social; Skit by Dr. Meltzer's office.
WEDNESDAY: Lunch at noon - Golden Age meeting
THURSDAY: Trip to New York to Statue of Liberty leaving at 7:00 a.m.
FRIDAY: Lunch at noon - Bowling in Webster at 1:15

If enough people are interested, Dr. Meltzer will be at the Senior Center to do eye screening for glaucoma and cataracts. You must sign up ahead of time with Joanne at the meal site. This screening is open to the pubic for anyone over 60, or you can call the office at 865-9798. There must be enough people to make it worth Dr. Meltzer's time to come. He will be here with his staff and equipment on September 22nd, from 12:30 to 2:30. The skit that will be presented on September 15 will be put on by elderly patients, and it promises to be both comical and informative.

TRIP TO THE STATUE OF LIBERTY: We still have not heard from a few people who have signed up. If we do not have your money by September 10th, your name will be dropped from the list as we now have a full bus and a standby list.

PLEASE VOLUNTEER to do something for the Blackstone Valley Heritage Homecoming Week (September 25-October 4) as we want to make a good impression on the other towns who are doing their share to make this event the highlight of the season.

Millbury School Committee Adopts AIDS Policy

By Edward J. Cooney

MILLBURY. The School Committee meeting began at 7:30 p.m with a review and corrections of the August 19th meeting. The minutes were approved, as corrected, by a 4-0-1 vote, with Bruce Pease abstaining.

– The Committee voted 5-0 to accept the state's Department of Education Policy on AIDS.

– Superintendent of Schools, Dr. Alfred Sylvia, gave a brief report on the opening of school. "It was a fine opening with some minor problems with buses," he said. Sylvia also stated that the estimated total enrollment for the year was 1559 with expected changes to come from more definitive attendance reports.

– Business Manager, Stanley Stickney, stated that the transportation of pupils also went smoothly with some minor problems which, he added, were not the fault of the bus contractor. "The smaller children got on the wrong buses but were taken to their houses individually by bus drivers," he explained.

Committeeman Wilczynski stated that he had received a call from a parent indicating that some children were not picked up and had to be driven to school by a parent.

Stickney replied that the bus driver had stopped and picked up some children but that others were late and had missed the bus.

School Committee member, Patricia Cooney, asked Stickney if children in the kindergarten were required to cross a street.

Stickney replied that it depends on the routes, traffic, and other factors, "I have tried to design routes to pick up children on the same side they live on when possible. Parents are encouraged to be with the smaller children at the bus stop."

– Dr. Sylvia then presented the committee with copies of the Student Handbooks for the Middle School, High School, and Athletics, which were accepted 5-0. The handbook for Elmwood Street will be reviewed when completed.

– Under "Informational Items", Sylvia reported on a meeting held on Tuesday, September 1, to discuss parental concerns over Hepatitis B following an annoucement that a child who is a carrier of the virus would be enrolled in kindergarten. The meeting was attended by about 150 parents as well as staff and school committee members.

Sylvia went on to say that the two physicians who answered questions at the meeting, Drs. Fergusson and Glew, presented information in a way that was both beneficial and informative, easing the concerns of most parents.

Sylvia then explained that 15 individual desks and chairs had been acquired and that five sets would be placed in each kindergarten room. "Tables and desks will be cleaned before and after snack time with a Lysol or bleach solution as a precautionary measure. Students will have their own personal pencils, crayons, and other materials, thus minimizing sharing. I have assured the parents that everything will be done to protect the health and well being of their children."

Mrs. Cooney suggested that future consideration be given to providing more individual desks and chairs for students in the lower grades. This, she stated, might cut down on instances of too much sharing.

Sylvia agreed and stated that he would take her suggestion under consideration.

– Sylvia then informed the committee that the speed bumps had been lowered at the high school.

– The high school gym floor project has been completed. According to Sylvia, "It is an exceptionally fine job that was done meticulously by the contractor. It was recommended that the floor not be used for at least two weeks." He also stated that he had authorized Mr. Garabedian to install mats at each entrance to prevent dust and dirt from being brought in by foot traffic.

– Sylvia also presented a teacher's certification list as requested by Pease; there was no discussion.

– Stickney presented a Facility Use Policy for approval, as a first reading. The Committee accepted the first reading on a 5-0 vote.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now **or** lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, **or** lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

Initial Rate	Annual Percentage Rate
plus one point 8.37%	*9.604%

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

Because rates that go up, can come down...

*Rates subject to change without notice. Interest rate is adjusted annually, based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year, as made available by the Federal Reserve Board, plus the applicable margin. The initial interest rate is independent of the index, and has been discounted. This rate may increase on the first adjustment date, in accordance with the formula outlined above. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum 20% down payment.

SCHOOL from Page 5

reason to have standees. "If the enrollment increases we may have to allow a few standees," he said, adding that the state is too liberal. (The state allows 20 standees on each bus.)

Committeeman Alan Tuttle suggested that, as a courtesy and accommodation to parents and children, the past practice of allowing students to take buses to after-school activities be continued.

At the request of Hanratty, a motion was made to approve the continuation of the Transportation Advisory Committee by a 5-0 vote.

Wilczynski then stated that he could not support the Advisory Committee's goal to act as a grievance committee. He stated that the present system for parental grievances should be maintained: to approach the principal first, the superintendent, and finally the school committee.

Wilczynski added that he would find it more acceptable if the wording were changed to "a sounding board for parental bus concerns."

- Stickney's recommendation to award the van route to the Nahra Bus, at a low bid of $65 per day, was approved 5-0.

- Under "Resignations", the Committee approved, with deep regret, the resignation of Catherine Gaucher, Assistant Principal at Elmwood Street School, effective December 4, 1987.

Mrs. Cooney inquired if replacement for her position would be "in house".

Sylvia replied, "It is a matter for school committee discussion.

- Under "Appointments", the committee voted to approve Sylvia's recommendations on the following:

1. Nancy Boivin - High School Spanish Teacher
2. Barbara Carpenter - Permanent Substitute at the High School.
3. Patricia Howard - Speech Teacher, half time, for a full year.
4. Ann White - Guidance Secretary
5. Frank McNamara - Assistant Varsity Football Coach
6. Norman Gonyea - Grade 9 Head Football Coach
7. Mark Sutphen - Grade 9 Assistant Football Coach
8. Fran Dupont and Gail Fairbanks - Junior Class Advisors

- Under "Addenda" the following items were discussed and/or approved:

1. Approved the hot lunch program for federal funding.
2. Approved inviting the Chairman of the Board of Selectmen, Chairman of the Finance Committee, Town Clerk, State Rep. Paul Kollios, and state Sen. John Houston to the opening meeting with the visiting committee for education and accreditation of the high school.
3. Moved on a request by Mrs. Cooney to prepare specs and costs for replacing the fire alarm system at the high school in order to place an article on a Special Town Meeting warrant.
4. Moved on a request by Tuttle to place, on the next agenda, an item to begin discussions on the 1988-89 school budget.
5. Moved to look into, make repairs, and replace defective play equipment at various locations in Windle Field.
6. Moved to notify the Police Department and the community, by news articles, that dirt bikes and three or four wheel, off-road vehicles, are prohibited on school property.
7. Mrs. Cooney requested that Sylvia follow up on requests she made several months ago concerning a self-contained class structure at the Middle School, and moving of the 7th grade up with the present 8th grade. Sylvia noted that he had been in touch with Mr. Carmody, who would be doing the study, and Sylvia will inform Carmody of her requests.

At 9:20, the committee voted to move into Executive Session, and adjourned after returning.

Millbury High Class Of 1967 WHERE ARE YOU?

MILLBURY. The Millbury Memorial High School Class of '67 is making plans for its 20th year reunion. If anyone knows the whereabouts of the following people, please contact Janice (Collette) Williams at 865-9409.

James Ballard - Elizabeth Duplisea - Joanne Hegi - Louis Lambert - kenneth Pelletier - Douglas Savoie - Marcia Wetherbee - Robert Blake - Alan Lavich - Robert Pelletier - Donna Allaire - Alfred Yuknavich - Susan Dulmaine

Annual Flea Market

MILLBURY. The Women's Fellowship of the First Congregational Church on West Main Street invites the public to attend a flea market in the church vestry on Saturday, September 19, from 10:00 a.m. to 2:00 p.m.

The Women's Fellowship will sponsor a bakery shop and will provide refreshments consisting of hot dogs, doughnuts, and beverages.

To reserve table space, contact Jeri Stead at 865-5371 as soon as possible.

Worcester Youth Chorus To Begin Rehearsals

WORCESTER. The Worcester Youth Chorus will begin rehearsals on September 12th. All young people in the Worcester county area between the ages of 7 and 15 are invited to join.

Registration will be held on Saturdays through the month of September. The group meets every Saturday morning from 10:00 a.m. to noon at the First Unitarian Church, Worcester. For more information, call 755-9871.

Hockey Association To Hold Registration

The South County Youth Hockey Association will hold registration from 9:00 a.m. to 12:00 noon on September 12, at the Daniel Horgan Rink in Auburn.

This is a participatory league, committed to the development of team spirit, athletic skills, and sportsmanship.

Unitarian Universalist Church Announces Schedule

GRAFTON. The church services of the Unitarian Universalist Society of Grafton and Upton, located at Grafton Common, have been in recess during July and August. The church will renew its Sunday services on September 13th at 10:30 a.m. under the leadership of Rev. Richard Perry, minister for the past six years. His sermon is entitled, "Heaven Can Wait, Earth Cannot!"

The church school and nursery will be held at the same time.

The choir, under the direction of Myles Tronic, will hold a rehearsal at 8:45 a.m., just prior to the service.

On Monday, September 14, the non-denominational Grafton Center Play school will reopen for the new school year.

On Tuesday, September 15, "Easy Does It" will be hold its weekly meeting from 7–11 p.m.

Window Display Contest

BLACKSTONE VALLEY. The Blackstone Valley Chamber of Commerce is sponsoring a "window display contest" for businesses in the eleven-town region as part of Heritage Homecoming Week.

The contest is aimed at getting more businesses involved with the week-long celebration and recreating the old town atmosphere of years past. The only contest rule is that windows be decorated as they would have been 100 years ago with frilly details and eye-catching slogans.

The best displays will receive awards, and the town that reflects the best overall 1800's look through its total displays will be named "Homecoming Town of the Year". The more businesses that participate in each town, the better the chance.

In order for awards to be seen by all who attend events during the September 26 to October 4 Homecoming Week, judging of the displays will take place on September 25.

Award recipients and the Homecoming town will be named that day.

If your business wants to participate, contact Sandra Haagsma at the Blackstone Valley Chamber, 753–2924.

SELECTMEN from Page 3

– At 8:00 p.m., members of the Water Study Committee discussed goals, objectives, and directions they would pursue in considering the purchase of the water system in Millbury. It was suggested by the Board that the Committee review previous materials developed by a former study committee. Members of the Study Committee then adjourned to a conference room to initiate their first meeting as a group.

– At 8:30 p.m., Richard Burke, of Burke Associates, was interviewed by the Selectmen. He is a prospective consulting engineer for the development of design for installing a new heating, ventilating, and air conditioning system at the Town Hall.

Other bidders for the design project will be interviewed at the September 8th meeting.

– Under "Old Business":

1. The downtown parking grant is on hold and awaiting funding from the state.

2. Asa Waters' parking will be expanded upon completion of the egress road from the new downtown parking lot.

3. The dredging of Dorothy Pond is progressing and the perimeter storage and containment structure has been approved by the Water Pollution Control Department.

4. Coating operations at Lewcott have been completed and will not be renewed until the fume incineration system at the plant has been tested and approved for operation.

5. The Board approved the Mass. Electric study for upgrading lighting on Riverlin Street, but held up approval for lighting replacement on Holman and Woodland Streets until requests are reviewed.

6. Apple Drug's request for two-way traffic on Grove Street was denied, 4–0.

7. A request for a street opening on Latti Farm Road in the Industrial Park was denied. Adams stated that the Board should stick to its original intent that gas lines should be installed outside the road's surface.

– Under "New Business", the Selectmen approved a street opening on Rhodes Street by Commonwealth Gas, noting that the project had already been completed.

– In the final item on the Agenda, the Selectmen approved the appointments of Robin Smith and Natalie Young as crossing guards.

NOTICE

The Board of Selectmen has found it necessary to initiate a draw-down of Dorothy Pond to facilitate the installation of sewers in areas adjacent to the pond.

Residents in the area of the pond who depend on shallow wells for domestic water may experience a reduction in pressure or volume. We request that anyone affected in this manner contact the Millbury Police Department or the Selectmen's office at 865-4710 for assistance.

We regret that it is necessary to take this action, but the installation of sewers is of the utmost importance to the upgrading of the water quality of the pond.

Board of Selectmen
Town of Millbury

D.A.R. To Meet

SUTTON. The Rufus Putnam Chapter of the D.A.R. will meet on Thursday, September 17th, at the Sutton Municipal Center at 1:30 p.m.

Mary King will speak on "The Fun Things and the Serious Things That Happened" when she attended the 96th Continental Congress at Washington D.C. last April.

Hostesses will be Barbara Beaton, Vera Johnson, and Dorothea Moran.

Book and Bake Sale

MILLBURY. The Friends of the Millbury Public Library will sponsor a Book & Bake Sale from 10–1 on Saturday, September 19th. There will be books galore, yummy goodies, free cider, and an opportunity to assist your library by becoming a "Friend". Membership dues are $2, individual; $5, family; and $25, corporate. The event will be held rain or shine.

Little League Field Day

MILLBURY. Millbury Little League will hold a Field Day on Saturday, September 19, from noon to 5:00 p.m. at the Singletary Rod & Gun Club, Singletary Ave., Oxford.

All Little Leagues, including Senior, Farm and Minor Leagues, are invited to come and have fun at the field day. There will be lots of games (with prizes), food, and the awarding of all trophies and jackets to the appropriate teams and All Stars. The Little League Women's Booster Club will provide the food for the field day.

All players and coaches will be allowed 5 tickets free of charge (2 hot dogs, 2 cold drinks and 1 bag of chips). Parents, grandparents, brothers and sisters, and everyone else attending will have to pay a nominal fee for their refreshments. At least one parent or guardian must accompany ball players 13 years old and under.

Take the time to come and enjoy Saturday afternoon with your children and Little League – you may like it!

Assumption School Staff Members

MILLBURY. Assumption School has announced the following staff members for the 1987–88 school year: Lea Gonya, Grade 1; Audrey Roberts, Grade 2; Dorothy Marchessault, Grade 3; Sandra Neargaard, Grade 4; Grace Laflash, Grade 5; Sister Elizabeth Morin, Grade 6; Sister Marguerite Normand, Grade 7; Rita Comeau, Grade 8; Sister Rita Therrien, Librarian; Sister Lucille Cormier, Music; Patricia Weir, Computers; Sister Bernadette Sweeney, Principal.

Millbury School Connection To Meet September 14th

MILLBURY. The next meeting of the Millbury School Connection will be held at 7:00 p.m. on Monday, September 14th, in the Town Hall.

Satisfy your curiosity! Come in and find out what's happening.

Campfire Recruitment

MILLBURY. Informational flyers on joining the Campfire organization will be distributed in the schools this week.

Campfire registration for children in kindergarten through grade 8 will be held at the Millbury Federated Church on Saturday, September 12, from 10 a.m. to 12:00 p.m. and on Wednesday, September 16, from 6:30 p.m. to 8:00 p.m. Anyone signing up will be eligible for a fun day at Marion's Camp on September 25th.

Existing groups are asked to contact Ellen Cote at 752-2786 for registration forms.

Registration To Be Held For Adult Education Classes

MILLBURY. Registration for Millbury Adult Education classes will be held on Wednesday evening, September 23rd, in the High School cafeteria from 7-8 p.m.

Registration enrollments can be made by sending a check, payable to Millbury Adult Education, with the name of the course selection to: Robert D. Sullivan, Adult Education Director, Elmwood Street School, Millbury, MA 01527.

All courses are $20.00. For Senior Citizen who are Millbury residents, the cost will be $10.00.

Monday night offerings will be: Aerobics, Knitting and Crocheting, Typing, Tole and Decorative Painting, and Line Dancing.

Wednesday night offerings will be: Aerobics, Microwave Magic, Needlework, and Yoga.

New Collection of Books

MILLBURY. Seniors at the Pearl Street, Centerview, and Colonial Housing Complexes will find a new collection of Millbury Public Library books in their activity rooms. The collections at each of the complexes contain several non-fiction selections, along with mysteries, romances, general fiction, and large-print books.

These current collections will change again on November 3rd. Seniors are asked to return these Millbury Public Library books back to their activity rooms by November 2nd.

Forum On Alzheimer's Disease

WORCESTER. The University Center on Aging of the University of Massachusetts Medical Center (UMMC), Worcester, will hold a Friday Forum entitled, "Alzheimer's Disease: Latest Developments in Treatment and Research." The program will be held on Friday, October 2, in the Level A Lecture Hall at the Medical Center on Lake Avenue. The fee is $5.00 per person.

The speaker will be Dr. Brian O'Donnell from the Alzheimer's Disease and Related Disorders Clinic and Research Group, Department of Neurology, UMMC.

For registration information, contact the Center on Aging at 856-3662.

National Clearinghouse On Technology and Aging

WORCESTER. The University Center on Aging of the University of Massachusetts Medical Center, Worcester, announces the formation of the National Clearinghouse on Technology and Aging. The Clearinghouse will be a repository of documents, audio-visual materials and prototypes for collection, classification and distribution.

To submit items for inclusion in the Clearinghouse or to be placed on the mailing list, please contact Mark E. Lawrence, Education/Information Coordinator, University Center on Aging, University of Massachusetts Medical Center, 55 Lake Avenue North, Worcester, MA 01655.

Federated Church To Hold Auction

MILLBURY. The Worship and Women's Fellowship Committees of the Millbury Federated Church will hold an auction on Saturday, September 26th at 7:00 p.m. at the church.

An auction preview will be held at 5:00 p.m., and a snack bar will be available.

Items for the auction may be dropped off on Thursday, September 24th and Friday, September 25th, from 7:00 to 9:00 p.m.

For pick-up of items call the following: Charles Kirkpatrick, 865-2870; Dave Pierce, 865-6712; and Dana Christman, 865-6691.

Items may also be put on the stage in the vestry.

Upcoming: Watch for information on the 1987 CROP WALK scheduled for October 4th.

Millbury Men's Softball - 1987
St. Charles Hotel
Captures League Championship

By Bill Lucey

Three different teams won titles in the Millbury Men's Softball League in 1987: Millbury Savings Bank won the annual season-opening one-pitch tournament; Lenny's Liquors took the post-season playoffs crown; and the regular season championship, the most coveted of the three, was won by the St. Charles Hotel.

1987 was supposed to be the year that Millbury Savings Bank continued their domination of the league, similar to 1986 when they won all three titles; pre-season predictions did not hold true. After losing to Millbury Savings Bank in the finals of the one-pitch tournament, the St. Charles Hotel completely dominated, capturing their first league championship in the team's long history.

Finishing with a 25-2 regular season record, the St. Charles team virtually ran away with the league title. An impressive first half year record of 13-2 placed the team atop the league in the standings. Many players around the league hoped the St. Charles squad would "choke" again, referring to their 12-0 start last season and their fourth place finish. However, the team finished with a 13-game winning streak to eliminate any chance of 1986 repeating itself. The most impressive part of the season was posting a 9-0 record against the top teams, better known as "The Big Boys".

Members of the league champions include: General Manager, Marty Morin; Head Coach, Bob Bernier; Assistant Coach/Social Director, Roland Couture; Dave Matson, John Coons, Steven Hebert, Terry Bernard, Tom McKenney, Roger Picard, Bob Murray, Kevin Hartigan, Dan Belsito, Bob Lacrosse, Bill Silver, Kevin Higginbottom, Bill Lucey, Peter "Space" Backstrom, Thom Boerman, and Tom Hall. This group of players has been together, for the most part, many years. Although always one of the best teams in the league, they have never won the title. They why this season? "A great performance by sixteen great ballplayers," explained Bob Bernier. "Take one player off this team and we never would have won it."

Former player/coach Tom McKenney added, "I feel the new sponsorship, some off-season acquisitions, and a new coaching staff put us over the edge. The coaches did a super job all year."

Dave Matson, an original team member, elaborated on the teams' success. "This season has been the ultimate. Since the first practice, the guys have had a great attitude. Everyone has given 110% the whole season. Outside of softball, we've had some fun times too. Just a great, great year. One I'll never forget."

Several other teams enjoyed a successful season during the summer. In addition to their one-pitch victory, Millbury Savings Bank placed second in the league standings, as well as second in the playoff tournament. A very talented team, Savings Bank has already suggested several roster moves which should show improved performance next year.

Lenny's Liquors avenged season-long injuries and frustrations by winning the playoff championship. Supported by a super defense and the home-run swing of Al Glass, Lenny's went undefeated the entire tournament.

Showing great consistency, the 1984 and 1985 champions, Dolphin Pools, placed third in each event this season; a good season by anyone's standards. They will look to regain their form of '84 and '85 next year.

1988 could also be time for some of the other league participants to contend for the title. They include: C&S Lumber, Millbury Old Time Inn, Pro-Tech, Singletary, La Myers, and Stove Place. These teams have great potential and, with some improvements, could challenge the front runners.

1987, now finished, has proven to be yet another interesting and exciting year. The off-season provides the league an opportunity to look back on the season's activities. Some teams remember the thrill of victory, other only the agony of defeat.

One memory that will remain for quite some time is the efforts of the St. Charles Hotel. Winning a league championship is a tremendous accomplishment. The Millbury League is considered by many locals as perhaps the best in the area.

"Can you show me a better team than the St. Charles Hotel in Central Massachusetts?" asked Steven Hebert, a former league commissioner. "This league is the best. What we did this year is incredible."

It might be a very long time before the Millbury Men's Softball League witnesses an accomplishment like that of the St. Charles Hotel. Many speculate their record will never be matched; some believe it will. One thing is certain. They have set quite a precedent to follow.

On The Shelf

By Rosemary Wallos

Millbury Public Library has a growing collection of science fiction for all the sci-fi readers in town. As every sci-fi reader knows, science fiction and fantasy go together like fish and chips. So, you'll find a generous selection of fantasy in the library's sci-fi collection as well.

The books below are a select list of some of the new science fiction and fantasy books you'll find on our "new books" bookshelves.

THE FOLK OF THE AIR by Peter S. Beagle. This is Beagle's first fantasy novel since The Last Unicorn was published in 1968. This story is a mix of magic, illusion and unforgettable characters, set in Avicenna during the twentieth century.

WINTER OF EDEN by Harry Harrison. Harrison is the author of the critically acclaimed West of Eden, a novel that rivals the likes of Jean Auel's The Clan of the Cave Bear. Here, Harrison continues the saga about two cultures caught in a time of change that forces a tragic struggle for survival.

DEATH QUEST: MISSION EARTH, vol. 6 by L. Ron Hubbard. This popular series is topped off here with great science fiction action, political satire, and a dash of romance.

THE ANNALS OF THE HEECHEE by Frederik Pohl. Pohl has been writing science fiction for 45 years. He is credited with setting the tone for science fiction reading today when he worked as editor of Galaxy in the 1950's. This is Pohl's most recent book, a story of the advanced Heechee technology and the potentially destructive power it can give to both the good and bad elements of the human and alien races.

WIELDING RED SWORD by Piers Anthony. Anthony's newest novel is one of science and magic where shiny new cars compete with magic carpets. In this story, Death, Time, Fate, War, and Nature are characters to be dealt with.

THE UNLIKELY ONES by Mary Brown. This is the second time this book has made the Library's recommend list. This book takes place in an enchanted time of great dragons when humans and animals conversed as a matter of course. The Unlikely Ones focuses on seven unlikely heroes who escape the doom of life under a witch's curse and their desperate and heroic epic journey home.

SOLDIER OF THE MIST by Gene Wolfe. Wolfe is the Nebula Award winner. In 1985, the New York Times selected his Free Live Free as one of six distinguished sci-fi books of the year. In his newest book, he leaves the distant future for the fantastic historical world of Greece in 479 B.C., when gods walked the earth.

HIGHWAY OF ETERNITY by Clifford D. Simak. Meet Jay Corcoran, who has trick vision that allows him to see the unseen. What he sees, and eventually retrieves, is a time traveler machine that transports him back to 1745 in Shropshire, England, where he finds a strange family of refugees from a million years in the future.

GUARDIANS OF THE WEST, Book One, by David Eddings. This is Eddings' sequel to his best selling The Belgariad. It is the first book of the Malloreon, an epic quest across many strange lands and among strange people. It's a fantasy that involves men, kings, sorcerers, gods; and opposing destinies, to determine the fate of all.

COMING UP AT THE LIBRARY: Thursday, October 8, 6:30 p.m. – COLOR PURPLE. Join in the first reading discussion group of the 87-88 season. Color Purple, an award winning book by Alice Walker, tells a story about men and women, about Blacks and Whites, about God and about love. Copies of this book are available to check out from the Library.

SATURDAY, SEPTEMBER 19, 10-1: BOOK AND BAKE SALE – This is the Friends of the Millbury Public Library's annual book and bake sale. (Book and Bake Sale Donations welcome).

TUESDAY, SEPTEMBER 15: STORY HOUR REGISTRATION, Pre-school story hour registration starts on Tuesday and extends through September 26th. Pre-school story hour will begin on September 30th.

CENTURY 21 Westward Homes

Raises over $5,000 for Easter Seals

A softball marathon, sponsored by CENTURY 21 Westward Homes, was held in August in Framingham.

CENTURY 21 Westward Homes' fund raising efforts have been organized and managed by Bruce Camille, a Sales Executive from the Hopkinton office.

"We sponsored this event to benefit our local Easter Seal Society, where individuals of all ages and having disabilities from any cause can find assistance through Easter Seal programs," said Robert Sennott, broker of CENTURY 21 Westward Homes. "Ninety-five percent of all revenues raised locally for Easter Seals stays in our community to provide direct services – such as physical, occupational and speech therapies – to people with disabilities in this area."

The CENTURY 21 system has been the top corporate sponsor of Easter Seals for nine years. From 1979 through the present, the network of 6,500 broker offices has raised more than $10 million in contributions. A total of $3 million dollars was contributed to the 1987 campaign, which was the largest contribution by a corporate sponsor in the history of Easter Seals.

The softball marathon sponsored by CENTURY 21 Westward Homes was part of the on-going fund-raising efforts conducted every year by Century 21 brokers and sales executives throughout the United States and Canada.

DEADLINE

The deadline for all submissions to the Millbury-Sutton Chronicle is 12:00 noon on Saturday of the week prior to publication.

News From The Millbury Council On Aging

By Judith O'Connor, Director

FUEL ASSISTANCE: The 86/87 Fuel Assistance Program will begin in mid-October. You are reminded to photocopy your monthly income checks (SSI, Social Security, Pension, etc.). You will also have to have a fuel bill. You should call here to make an appointment as soon as the program starts. If you have any questions, please cal the COA office at 865-5194.

REMINDER: If you don't fill out your application and you have a problem, I cannot assist you. In order for me to trace and track down monies paid for your bills, the application must come out of our office.

THE GOVERNOR'S CUP will be held on Saturday, September 26th. Anyone wishing to sign up for any of the walks must get an application at the Senior Center. Participation is limited this year, and will be on a first-come basis. Those who are going as a group must also sign up in the COA office so we will know how many buses are needed.

VAN DRIVERS NEEDED: We are looking for volunteers to drive our van for a few hours, one day per week. No special license is needed, just a caring person who likes to help the elderly.

TRANSPORTATION PROGRAM: We provide transportation rides as follows: Medical, Monday through Thursday, 9:00 a.m. to 3:00 p.m.; General Dial-A-Ride, Thursday, 9:00 a.m. to 3:00 p.m.; Activities at the Senior Center, daily; Shopping, Friday, 9:00 a.m.

All transportation requests must be made through the Council on Aging office, with at least a 24-hour advance request. We must note that this is on a first-come basis due to the increasing number of clients using this program. A reminder that if you are taken to an appointment in the blue van, you may be picked up in the white van. Please look for the vans and be ready for them.

I.D. CARDS are available to any individual 60 years and over who is a resident of Millbury. The cost is $1.00 and may be obtained during the regular hours of the COA office.

coming celebration, a specific Homecoming project or event, and fundraising for the Homecoming and the Lady Carrington Fund. Regular attendance at director's meetings (4 to 6 a year) and Homecoming planning sessions (15 sessions) is also an important requirement.

Reading Discussion Program At Millbury Library

MILLBURY. On September 15th, books for the upcoming Millbury Public Library Reading Discussion program will be available at the Library.

On October 8th, at 6:30 p.m., the Millbury Public Library will hold its first reading discussion program of the '87-'88 season. The book to be discussed will be the critically acclaimed Color Purple, by Alice Walker. This book is Walker's third novel. It is considered by many to be "a novel of permanent importance". In Color Purple, Walker writes about survival, the honesty and cruelty of men and women, Blacks and Whites, and about God and love.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. Obtaining a young dog and caressing a minnow?
   _____ a _____ and
   _____ a _____
2. An adolescent nightspot and a spotless bathing basin?
   A _____ and a
   _____
3. A raging voyeur and a gasping harvester?
   A _____ and a
   _____
4. A stumbling spy and a hopping speckled game fish?
   A _____ and a
   _____

ANSWERS: 1. Getting a puppy and petting a guppy. 2. A teen club and a clean tub. 3. A ranting peeper and a panting reaper. 4. A tripping scout and a skipping trout.

Nominations Being Accepted

The Nominating Committee of the Blackstone Valley Heritage Homecoming Corporation is seeking names of interested Valley residents who would like to be considered for election to the Board of Directors of the corporation.

If you would like to be considered, please write a letter of interest to Mr. James Cleaves, 20 Susan Parkway, Uxbridge, MA 01569 by September 15, 1987.

The Board of Directors is responsible for overall direction and policy for Blackstone Valley Heritage Homecoming. Directors are expected to take an active role in coordination of the Heritage Home-

DEADLINE

The deadline for all submissions to the Millbury-Sutton Chronicle is 12:00 noon on Saturday of the week prior to publication.

Labor Day Rain In Purgatory Couldn't Extinguish Fires (breakfast fires, of course)

SUTTON. Hundreds of people turned out at Purgatory Chasm for the Annual Labor Day Breakfast sponsored by the Steward committee of the Sutton First Congregational Church.

In true Yankee fashion, local residents ignored the inclement weather to participate in this 35-year tradition which signals the end of summer.

...with *no-interest* HEAT Loans from MCU!

A new heating system...insulation...storm and replacement windows...caulking—if you meet certain family income requirements and want to make your home more energy efficient, you're eligible for a *no-interest* HEAT Loan from the Millbury Credit Union.

In cooperation with the Fair Share Development Corporation and the Massachusetts Executive Office of Energy Resources, MCU can help eligible borrowers with *no-interest* HEAT loans. The loan can be as long as five years, and the HEAT Program will pay up to $4,000 in interest charges, or the total interest payment, whichever is less.

It may be warm now...and oil may be cheap...but winter is coming! For information about the HEAT Program, visit the Millbury Credit Union, and...
